PROFESSIONAL EXPERIENCE

Application Support Analyst | RELEX Solutions

March 2024 - Current | Helsinki, Finland

- ▶ Manage 24/7 incident response for 100+ enterprise clients including Lidl, Marks & Spencer, Dollar Tree, Ahold Delhaize, and major Nordic retailers, maintaining 98% SLA compliance.
- ▶ Monitor and triage critical system alerts using Datadog, resolving environment downtime, cloud sync issues, and missing file incidents with average resolution time under 2 hours.
- ▶ Handle P1/P2 incidents including Full GC alerts, database connection failures, and data processing errors, preventing business impact for clients processing millions in daily transactions.
- ▶ Selected to join the AI Innovation team, where I designed and implemented an AI-powered automation solution that eliminates manual escalation processes between 1st and 2nd level support.

Junior Developer | [Mysterio Oy](#)

October 2022 - September 2023 | Helsinki, Finland

- ▶ Served as primary technical liaison between development team and business stakeholders, facilitating clear communication of requirements.
- ▶ Created comprehensive technical documentation and user guides, reducing support tickets by 30% and improving self-service capabilities.
- ▶ Managed WordPress, Laravel, and Drupal environments, ensuring 99.9% uptime for client applications.

Service Desk Specialist | [CGI](#)

November 2021 - April 2022 | Helsinki, Finland

- ▶ Managed tier 2 technical support for enterprise clients, consistently exceeding SLA targets by 15% while maintaining 95% first-contact resolution rate.
- ▶ Resolved 50+ complex technical incidents daily using ServiceNow, reducing average resolution time by 25% through efficient troubleshooting.
- ▶ Collaborated with cross-functional development teams to identify and document recurring issues, reducing overall ticket volume by 20%.
